

**Panguitch**, Utah sits on the edge of **Bryce Canyon National Park**. One of the most beautiful places on earth. Most have compared it to the awe of the **Grand Canyon**, while others have ranked it even higher.

**Rent your ATV or OHV** from Kanyon ATV and explore the areas around Bryce Canyon without the restrictions and set-schedule you get with a tour guide. We don't charge mileage, and where you go is **up to you... on your own**, and **at your own pace**.

Access over **3,500 miles of trails** right from our **door**. Kanyon ATV is located at the heart of where all these trails meet which means **no trailers** are required. Venture to **Casto Canyon**, only **10 minutes away**, and see the incredible red-rock formations. Or try some of the **Lesser-Known trails** that will take you to the **top of the world**, or the middle of the dense forests. Perhaps a trip to **Panguitch Lake** to do some **fishing**? Go see the places others can only see in pictures.

Make this trip one of your most memorable vacations ever. **Rent an ATV** from Kanyon ATV and truly experience the Bryce Canyon and Panguitch areas like nobody else.

Be sure to check out the town of Panguitch too! You can even **ride your ATV around town**, so ride around, park, and visit the **restaurants, shops** and charm of Panguitch!

All of our ATV's are in **excellent condition** and we offer only late-model ATV's & OHV's. We'll help you select the **best equipment** for your experience, and comfort level.

All of our equipment has plenty of **power** to go anywhere in the area. They are either **fully automatic**, or electric shift requiring less work from the rider to take you **where you want to go and enjoy the scenery**.
